Microsoft Dynamics CRM Online provides a variety of capabilities that enable your organization to:

GET STARTED QUICKLY

Using a Web browser, you can quickly get started and begin transforming your business without complicated technology server setup. Start using the marketing, sales, and customer service capabilities in Microsoft Dynamics CRM Online immediately or take advantage of contextual online help, best practice examples, or instructional videos.

ACCESS YOUR CUSTOMER DATA

Microsoft Dynamics CRM Online helps ensure that your data is available when and where it’s needed (online or offline). Access your customer data through the user interface, mobile devices, Web services interface, or as an exported file.

DRIVE USER ADOPTION AND PRODUCTIVITY

Microsoft Dynamics CRM Online works in a way that is familiar to your users. Users can work in an environment they already use and understand, either through their Web browser or from within Microsoft Office Outlook.

STREAMLINE BUSINESS PROCESSES

With Microsoft Dynamics CRM Online, business users can quickly design workflows to streamline their business activities, automate repetitive tasks, and enable the consistent execution of marketing, sales, and service processes so they can spend more time on their core competency.

MAKE BETTER-INFORMED DECISIONS

Microsoft Dynamics CRM Online provides rapid access to relevant information so you can make faster, better-informed decisions. Instantly leverage out-of-box reports and dashboards, or use intuitive wizard-based tools to create ad-hoc custom reports and dashboards in turn allowing you to identify trends, issues, and opportunities.

CUSTOMIZE TO MEET BUSINESS NEEDS

Customize and extend your Microsoft Dynamics CRM Online solution through point-and-click configuration tools. Quickly add or modify fields, forms, workflows, and reports to fit your business needs. Or connect your CRM data with existing business applications in real time by using native Web services.

ADAPT QUICKLY TO CHANGE

Microsoft Dynamics CRM Online can fit the unique needs of your business and grow with your company without expensive hardware upgrades. And when your business needs change, you have the option of switching to Microsoft

Dynamics CRM on-premise software built on the same code base as Microsoft Dynamics CRM Online, giving you the true power of choice.
